Figures
- Figures must be numbered and incorporated into the text in the same order that they are first mentioned in the text.
- Figure titles (max 15 words) and legends (max 300 words) should be included in the manuscript by author(s).
- Figure keys must be included in the graphic, not in the legend.
- All figures must be cropped to minimize the quantity of blanks in the illustration.
- The figures must be high resolution.
- The figures must be included in the main manuscript.

Tables
- Tables should be numbered and referenced in the text.
- Table titles (max 15 words) should be included above the table, and legends (max 300 words) should be included underneath the table.
- To create tables, use the table function.

Fonts
- The Times New Roman font must be used for manuscripts, size 10.

Ethical responsibilities

- The research must be conducted to a high ethical standard, and every effort must be taken to protect participants' anonymity and privacy.

Editorial procedure

- This journal employs a double-blind reviewing process, which keep the author's identity anonymous to the reviewers throughout the peer review.
- The submitted research must be original and should not have been published anywhere else in any language or format.
- To check for plagiarism, we use tools.
- Authors must be careful of copyright and/or moral rights.
- All accepted manuscripts will receive minor English editing from JASEL.

Editorial Decision and Revision

- Each article receives two reviews as part of the peer review process. The academic editor's choice will be communicated via email. The decision will be one of the followings:

1. Accept after Revisions
2. Reject and Encourage Resubmission
3. Reject

- Editorial decision will be announced within 4-10 weeks.
